Fall-Winter 2019

2020 Monthly Dues Rates

The 2020 monthly dues rates were determined at the recent September board meeting.

Dues are increasing for participants in the Medicare Supplemental Plans, and those participants recently received a separate mailing to notify them of these increases. If you are a participant in Plan 9 and currently pay \$220, your rate will increase to \$230 per month. If you are a participant in Plan 10 and currently pay \$160, your rate will increase to \$170 per month.

For participants in COBRA Plans, those rates will be determined later this year.

For all other plan participants, your rates are remaining unchanged with no increase.

If you are not already using our automatic withdrawal program for your dues payments, please call 888-800-9161 to discuss this option.

Cold and Flu Season is Approaching

Even though flu viruses are detected year-round in the United States, they are most common during the fall and winter. If you are in the Decatur area, please remember the Wabash Outpatient Clinic is here to help you. The Clinic makes every effort to accommodate same-day appointments for urgent care needs. Please contact the Clinic at **217-425-9642** to schedule an appointment.

In Memory of R.C. Smith

R.C. (Richard Carol) Smith passed away on September 2, 2019. R.C. retired from the railroad after working for the Wabash, N&W and Norfolk Southern Railroads for 39 years. At the time of R.C.'s passing, he had been actively serving as the Retiree Representative of the Wabash Memorial Hospital Association Board of Managers for eight years. He also previously served as the Alternate Retiree Representative for six years. Wabash Memorial Hospital Association honors R.C.'s memory and is extremely grateful for his dedication and significant contributions to the Association over the years.
